Subject: Re: Ames Warehouse Fire - Summary

Deb

Heading down in a few to meet up with Chris.

FYI I did an ER at the Ames shovel warehouse years ago. I tried sending it to you yesterday but our computers were down. Steve Nelson was in and shut us down. Radioactive metals. I will send this am

Attached is a summary of the Ames Warehouse Fire Site documenting the Site and activities being conducted.

I began preparing the summary in order to draft my Polrep and thought it would help fill in some of the gaps since I was not available by phone at the end of the day yesterday.

Please let me know if you have any questions. I hope it helps
